Glory Breakthrough: Unlock the Door to Higher Realms

Key Verse: Ezekiel 1

- **There is always movement in the glory.** (For example: whirlwinds, spinning wheels, flying creatures, burning fire, etc.)
- When we allow ourselves permission to connect with the glory of God, we will find ourselves moving too! **This is how we get a “glory breakthrough.”**
- **Everything in God leads to something greater!** In Him we live, and move, and have our being.
- Just like the wheel within a wheel, there are realms within realms within the dimensions of glory.
- Oftentimes we see God working in threes.
- The glory will help you recognize where you are currently positioned in the Spirit and give you both the insight and the activations to get “out of the rut” and get moving forward, upward and higher into glory realms.
